Greg

- SSAAWA Range Officer - is there a curriculum and an online/Webex option available. Dan will investigate.

Corey

- As a volunteer with Scouts, would like to know the possibility of Senior Scouts to attend the club and have an event for the senior scouts. All discussed, require RO course to be completed and WWC. Also, Adult/scout Ratio for high-risk event. Greg - follow up with club captain SSAA info and requirements.

Peter

- Keys have arrived 50x S1, 5xS2 all sequentially numbered. Moving forward. existing keys need to be numbered. Doug or Peter can bring kit to do so at Target Match.

- Brought a heap of target backing boards, he made boards up for 28JAN24, arrived to make up boards and found someone had used new target boards and put it back on the new stack. Between last weeks target match and this week, not signed on or possibly not renewed their membership. Greg suggested investing in cameras, possibility of trail cams or hard-wired setup.

- Peter is away for work for the next 2 weeks, forgot to hand off pistols for next week. Doug & Greg alternate armourers need to take them.
